SUMMARY

I maintain strong organizational and problem-solving skills and am able to communicate with individuals in a respectful and open manner as I have been exposed to several medical shadowing opportunities in the past and have worked in customer service.

EDUCATION

The University of Texas at Austin	Bachelor of Science and Arts, Biology Minor: Business Foundations Pre-Health Professions Certificate Overall GPA: 3.33	May 2021

WORK EXPERIENCE

Eastern Union – *Commercial Real Estate Intern; Remote* June 2020 – August 2020
· Actively called customers to determine their interest in real estate
· Worked directly with senior employees to help facilitate the process of
  underwriting and obtaining a real estate loan for customers

KPMG – *Data Analytics Consulting Virtual Intern* February 2020 – May 2020
· Performed data quality analysis on raw spreadsheet data in order to provide
  customers with concise and accurate business data
· Used customer segmentation to organize data according to the needs of
  the business owners
· Made recommendations to customers regarding product choice using statistics and
  presented these findings using an analytical dashboard and data visualizations

University Co-Op – *Sales Consultant;* Austin, TX August 2019 - February 2020
· Consistently exceeded sales goals by leveraging strong customer
  service and relationship marketing skills
· Demonstrated excellent leadership abilities; trained and served as role model for
  new sales consultants
